- Teacher Resources

The Pupil's Book presents new language and provides opportunities to practise English using a variety of reading and listening materials, including conversations, rhymes, stories and songs. It also contains a Picture dictionary of key vocabulary for each unit and word cards that pupils can cut out and use at home.

The Activity Book contains stimulating activities to consolidate learning and to practise reading and writing. Progressive handwriting exercises are designed to give pupils confidence and to prepare them for the beginning of independent writing.

The Teacher's Book contains an introduction with practical advice and procedures for using the course effectively. The underlying methodology is explained, and the teaching techniques used in the course are highlighted. Step-by-step procedures for individual lessons provide a solid framework for lesson preparation. Appendices at the end of the book provide essential reference for the teacher.

The Audio contains recordings of all the conversations, rhymes, stories and songs.

Teacher Resources accompanying the course comprise posters, picture cards and word cards. These can be used by the teacher to provide a more personalized set of material for stimulating classroom interaction.
