OFFICIAL STATEMENTS

LETTER BY LIBYAN POLITICAL PARTIES AND ORGANIZATIONS TO UNSMIL AND THE HNEC

3 I OCTOBER 202 I

His Excellency Mr. Ján Kubiš, Head of the United Nations Support Mission in Libya (UNSMIL)

His Excellency Chairman of the High National Elections Commission

Further to our greetings,

Whereas, we affirm our support for your efforts and technical support aimed at making the Presidential and Parliamentary elections successful on their scheduled date on 24 December 2021;

And, at a time when we renew our support for the laws issued in particular by the Libyan House of Representatives as the legislative body that has the original competence in this regard, and that no one has the right to impose any dictates on it in the core of the laws it promulgates;

We would like to recall Article no. 12 of the Election of the President of the Libyan State Law, which states that the candidate must stop exercising his job duties three months before declaring his candidacy.

Since the three-month period has already expired, it is absolutely not permissible to accept any nomination from any person who exercises a civil or military public office unless he has effectively stopped performing his duties by 24 September 2021.

It is equally important to draw your kind attention to the signed pledges made by the holders of positions in the interim Executive Authority to the UNSMIL, the LPDF, and the Libyan people on 4 February 2021 in relation to abstaining from running for the elections that follow the Preparatory Phase in accordance with Item no.3 of Article no.2 of the Chapter on Eligibility for Candidacy for the Executive Authority.

We, hereby, deplore what was mentioned in your statement on 30 October 2021 regarding the urge to breach the pledges. We, the undersigned, affirm that the United Nations Support Mission to Libya (UNSMIL) will not be trusted in the future in any way as an honest broker if these pledges made to the UNSMIL, which is one of the tributaries of the political process, are violated and revoked, and to which all the participants in the Political Dialogue in Geneva agreed.

We also call on the HNEC to abide by the text of the law and not to violate it, and to distance itself from any suspicions or disputes that may arise from its acceptance of the deliberate breach of the text of Article no. 12 of the Election of the President of the Libyan State Law, or ignoring the official signed pledges to the Dialogue Forum from which this interim authority emanated for the current Preparatory Phase, in the service of certain people. This will make the elections useless, uncompetitive, and lack credibility and parity.

God Save Libya

STATEMENT BY THE SUPREME COUNCIL OF LIBYAN TRIBES IN THE CENTRAL REGION ON THE UPCOMING GENERAL ELECTIONS

2 NOVEMBER 2021

"May a community arise from you that calls for good."
(Holy Qur'an, Al-Imran, Part of Verse 104)

Due to the political impotence in managing the country's affairs as a result of the conflicting political tensions that have brought the nation and the citizens to the ongoing suffering we are experiencing today, the Supreme Council of Libyan Tribes and Cities in the Central Region (SCLTC), hereby, affirms the following:

First: The incumbent political bodies in Libya have exacerbated the deterioration of the political, economic and security situation in the country. Therefore, the imperative solution today is to hold the Presidential and Parliamentary elections through direct suffrage by the people on the specified and agreed upon date of 24 December 2021.

Second: Any attempt to delay or postpone the upcoming elections is another evidence of targeting Libyans, country and people, in their stability, exacerbating their hardships and confiscating their national free will.

Third: We call on the High National Elections Commission (HNEC) to take the initiative, with all transparency and impartiality, to hold the elections on the agreed-upon scheduled date, and to work to achieve this endeavor with determination and seriousness.

Fourth: All political stakeholders are obligated to accept the elections' outputs and not to hinder the candidates in undertaking and implementing their electoral campaigns and publicity outreach with the voters' bases throughout the country.

Fifth: The United Nations Support Mission in Libya (UNSMIL) must be serious about following up on the elections as required by Libya's high national interest and to achieve the objective of the electoral process.

Sixth: The masses of the Libyan Arab people should uphold the high interest of their homeland, the future of their children, and the dignity of their country, by ensuring that the elections are conducted in legitimate and organized ways in a way that achieves everyone's goal of security, stability and building the desired state.

COMMUNIQUÉ BY THE NATIONAL MOVEMENT FOR LIBYA REGARDING THE UPCOMING 24 DECEMBER 2021 ELECTIONS

5 NOVEMBER 2021

In the Name of God, the Most Merciful, the Most Compassionate.

Given the changes and the current political scene in Libya, and the continued suffering of our people in various aspects of their daily living, we, hereby, affirm to the Libyan people, and the world at large, the following points:

- (1) We stress the necessity of not postponing or delaying the Presidential and Parliamentary general elections and holding them on their scheduled date on the twenty-fourth of next December.
- (2) Any attempt to obstruct the elections, whether carried out by individuals or entities, internal or external, represents a blatant assault and targeting of the Libyan people, and a condonation and support for the perpetuation of all forms of daily suffering that the Libyans are going through.
- (3) The necessity for the High National Elections Commission (HNEC) to be completely transparent, without interference in its affairs by any stakeholder at home or abroad.
- (4) The prerequisite of commitment by all political parties to accept the elections' outputs.
- (5) The need not to obstruct the candidates in conducting their pan-Libya electoral campaigns; in all regions, cities and villages in the country.
- (6) The United Nations Support Mission in Libya (UNSMIL) must make every effort and work with resolve and perseverance to follow up on the achievement of the electoral process. The UNSMIL must also issue a stern warning to those obstructing United Nations resolutions and rigidly affirm the application of the sanctions resulting from elections' derailment acts.
- (7) Inviting all the people of the country to wholeheartedly support the elections as a salvation way out from the current and previous crises, and in anticipation of a better future for all Libyans.

May God Save Libya and Bless its People.

STATEMENT BY THE SOCIAL COUNCIL OF THE WIRFALLA TRIBES

6 NOVEMBER 2021

Urgent Meeting of Tribal Leaders, Notables, Dignitaries, Youth Organizations, Civil Society Institutions, and Municipal officials in Bani Walid, Libya.

In this delicate circumstance that Libya is going through, in which it has become the focus of the ambitions of small and large countries, its national will has been confiscated and its sovereignty has been lost, and the blood of its children has been spilled, and after ten leap years, we have lost tens of thousands of our youth, our public funds have been looted and our wealth and natural resources have been wasted; the residents of the city of Bani Walid and the sons of the Wirfalla Tribes, believing in their moral and patriotic duty, and with their sense of national responsibility, have gathered today, Saturday 6 November 2021, with the Social Council of the Wirfalla Tribes and a group of its notables, the Municipal Council of the Municipality of Bani Walid, the youth organizations in the city, and civil society institutions and the elites, in this social conference.

The participants' concern is the homeland, their obsession is its sovereignty and independence, and their motto is the unity of Libya, people and territory. Bani Walid, which has never failed in its duty towards the homeland, and presented its children on the altar of the freedom and sovereignty of Libya, and distanced itself from every fighting between the Libyans, today and after ten years of chaos and complete washout, and its loss of hope in the successive authorities in the management of the state, and after many initiatives it launched under the leadership of its Social Council, the community of the city gather today in their first social conference to announce the following:

First: The Presidential and Legislative general elections that all Libyans are looking forward to, represent a historical turning point in the life of the Libyan people and the Libyan state, and it is the restoration of the trust to the people after ten years of loss. Holding the elections on time on the twenty-fourth of December 2021 is an imperative that is non-negotiable, and it cannot be circumvented or resorted to deception and procrastination. Everyone should realize that the anger of the Libyan people is inevitably coming.

Second: While we call on all Libyans to actively participate in choosing and charting their political future, we remind them of the pivotal role that the elected authorities will assume, as they are not just authorities for governance, but will have a lot on their shoulders regarding the political future of the Libyan state, its form and system; as it is clearly a foundational authority.

Third: We draw the attention of our Libyan people to the catastrophic results that we

have endured during an entire decade, as a result of our bad choices, our failure to perform our role and fulfill our duties, and even the neglect of our rights, until we were led by foreign ambassadors, consuls and their local agents. We hope that we will all learn from the lessons of the past and head with hearts full of faith, resolving to nominate only and give our votes to patriotic personalities who are distinguished by their credibility, knowledge, prestige, sincerity, and honesty.

Fourth: We call on all Libyans, led by the active forces, to choose a national figure, rally around him, and push him to run in the presidential elections, a figure who did not contribute to the sale of the country, nor its destruction, nor its looting, nor its subjugation to foreigners; a figure who grew out of the soil of this land, and his loyalty is only to the sons of the homeland after God Almighty. We call on the national forces that reject the desecration of Libyan lands to meet and consult on the upcoming entitlements.

Fifthly: The members of the Wirfalla tribes, as they follow the Libyan scene, are saddened by what they see as an unacceptable insistence of those at the forefront of public work in Libya to marginalize and exclude them at a time when they notice every day the granting of promotions and honoring the individuals who attacked the city of Bani Walid in a brutal precedent that human history will not forget, when they invaded the city and killed its children, women and elders. Today, they are honored and rewarded with the highest political and military positions in the country. The people of Bani Walid do not accept the policy of double standards; national reconciliation will not be achieved unless the criminals are brought before a just judiciary, and stability will be out of reach if justice is not established.

Sixth: We call upon all Libyan officials and decision-makers to uphold the values of loyalty and belonging to the homeland, and to put an end to blatant interference in the affairs of our country by ambassadors and the UN mission. They must draw red lines that cannot be crossed when it comes to Libya's sovereignty, independence and national decision. They should also refrain completely from the practices they have committed against the homeland, such as submitting to foreigners and neo-colonial forces.

Seventh: The people of Bani Walid and all the tribes of Wirfalla are determined to participate actively and positively in all the entitlements that will achieve the stability of the country and expedite the establishment of the state, declaring their adherence to the Social Council of the Wirfalla Tribes as their sole legitimate representative, and in partnership with all patriotic Libyans from all Libyan components throughout the country.

Issue in Bani Walid on Saturday 6 November 2021.

COMMUNIQUÉ BY THE PEOPLE OF AL-ZAWIYA CITY, WESTERN LIBYA REGARDING THE UPCOMING 24 DECEMBER 2021 ELECTIONS

6 NOVEMBER 2021

In the Name of God, the Most Merciful, the Most Compassionate.

At a time when all the Libyan people are looking forward to the twenty-fourth of next December, the historic day of national entitlement, which the Libyans have long awaited, after going through years of suffering, division, civil strife and wars, the day has come when the Libyan people will say their word and choose their legitimate representatives to lead the country to safety shores, a new phase in Libya's history in which dignity and sovereignty of the nation will be restored. This is a nation that has suffered continuous ordeals and hardships, and the people of Al-Zawiya City, as they cling to this historical entitlement with absolute resolve, hereby affirm the following:

- (1) That there is no turning back from achieving and implementing the elections on their scheduled date, which is the twenty-fourth of December, 2021 as stipulated in all the concluded international agreements, starting from the UN-sponsored LPDF Roadmap and ending with UN-brokered Political Dialogue in Tunis and Geneva, as well as international conferences.
- (2) We hold all the incumbent authorities in the Libyan state fully responsible for any delay or postponement of this entitlement.
- (3) We hold the international community, led by the United Nations, fully responsible for respecting its pledges to the Libyan people to hold general elections in Libya on their scheduled date.
- (4) We, hereby, declare that we will not recognize any of the bodies that are now in power after the date of the twenty-fourth of December since they will be considered, by all Libyans, as illegitimate and usurping power in the country, regardless of their types, whether it is the House of Representatives, the State High Council, or the Interim Government of National Unity and the Interim Presidential Council.
- (5) We warn all conspirators and war merchants who are seeking, by all means, to postpone the holding of these elections on their specified date that the people of the City of Al-Zawiya will not stand idly by vis-à-vis their conspiracy and will resist these malicious attempts by all available means.

(6) We call on all political stakeholders in Libya to respect the outputs of the elections, regardless of their results, in application of the principles of democracy for which the February 17 revolution came, and out of respect for the souls of the martyrs who fell in defense of it. As we disseminate this Communiqué, we affirm that Libya is united and that its people are united, from North to South and from East to West, warning everyone who is tempted to compromise the unity of this country, its territory, and its people; and that the response will be severe and violent for anyone who tries to tear this country apart, whoever he is, and regardless of his supporters. We also call on all countries interfering in Libyan affairs to raise their hands and leave us to decide our self-determination in the upcoming elections and build our aspired State. We also urge all the Libyan people, in all their components, to flock to the polls with all seriousness and patriotism to participate in this grand electoral event so that the world can see that we are a people who deserve life on their land and under their skies and that we are worthy of freedom and sovereignty over our land.

LETTER BY LIBYAN POLITICAL MOVEMENTS AND PARTIES COORDINATION TO THE INTERNATIONAL CONFERENCE ON LIBYA ON 12 NOVEMBER HOSTED BY THE FRENCH REPUBLIC

7 NOVEMBER 2021

At the outset, we would like to extend our thanks and appreciation for the efforts exerted by the Government of the French Republic, in coordination with the international community, in organizing this important international conference to bring stability to Libya. We also welcome the continued support and commitment to the sovereignty and unity of the country and its governmental institutions, and the holding of fair Presidential and Parliamentary general elections on 24 December 2021, in addition to the commitment of the international community to the eviction of all mercenaries and foreign troops from Libya.

This resolute stance of the international community is widely welcomed by the Libyan people, and in the hope of seeing the same commitment from the incumbent Libyan ruling institutions to implement the elections and respect their results.

Economic difficulties and the inability of the Interim Government of National Unity will be the cause of people's fears due to lack of livelihood needs such as electricity and liquidity, sky-rocketing inflation, poor health services and mismanagement of COVID-19 pandemic may increase social unrest, especially if the election process fails and people's desires and expectations for change are not met.

The widespread proliferation of weapons outside the control of the state in the hands of militias, the presence of foreign fighters on Libyan soil, as well as the potential for pockets and sleeper cells of extremist terrorist elements and groups, as well as the failure to unite the Armed Forces will not only lead to protracted armed violence and conflicts between local parties and exacerbate human suffering, but will also lead to regional and international instability and the outbreak of a large-scale conflict.

The convening of this esteemed conference, which witnesses a high level of representation from important countries at this critical juncture, is greatly appreciated and contributes to making the elections a reality on the ground, as the Libyan people demand and recommend to take a firm stance in confronting obstructionists, restricting their ability

and preventing them from dismantling and postponing the electoral process, by applying firm pressure, international sanctions and the Security Council Resolution No. 2570 on the election spoilers.

The Libyan people aspire to unify their homeland, guarantee its sovereignty, and improve living standards for Libyans. They are also keen on opening up and positively interacting with the international community in order to achieve peace, security and development in Libya. Furthermore, the Libyan people look forward to opening up prospects for cooperation with the countries of the world at the regional and international levels.

We look forward to more support and assistance from the international community in order for Libya to be a stable, sovereign and prosperous country, with a legitimate, elected and one government engaged in creating the desired peace and development at the international and regional levels.

Thank You.

Issued in Libya on Sunday 07 November 2021.

First: Our adherence to the outputs of the Political Dialogue, the Geneva Conference, and the LPDF Roadmap with regard to the Libyan political affairs.

9 NOVEMBER 2021

In the Name of God, the Most Merciful, the Most Compassionate. Given the nature and criticalness of the current phase that Libya is going through as a result of the protracted conflict and fragmentation, which inflicted severe damage on Libya and ruptured its social fabric and jeopardized its national unity; and based on the outcomes of the political dialogue conferences in Tunis and Geneva, which lead the country to the general elections on the twenty-fourth of December 2021; a turning point that represents a glimmer of hope for all Libyans to reinstate their country in the ranks of nation-states aspiring to provide a decent life for their people;

And out of our keenness to carry out our historical responsibilities towards our homeland, and our firm solidarity with our Libyan people in all parts of Libya in their humanitarian suffering, which exceeded every imagination and the resulting deterioration in the living, economic, political and social conditions, which negatively affected the daily life of Libyans, which requires us to think seriously to find a way out of this crisis, we affirm the following:

- (1) Adherence to the outputs of the LPDF Geneva Conference and the UN Roadmap.

السيد رئيس بعثة الأمم المتحدة للدعم في ليبيا المحترم

السيد رئيس المفوضية الوطنية العليا للإنتخابات المحترم

تحية طيبة وبعد،

في الوقت الذي نؤكد فيه على دعم جهودكم ودعمكم (الفني) الرامي لإنجاح الاستحقاق الانتخابي بموعده في 24 ديسمبر 2021 بشقيه الرئاسي والبرلماني.

وفي الوقت الذي نجدد دعمنا للقوانين الصادرة بالخصوص من مجلس النواب الليبي كجهة تشريعية صاحبة الاختصاص الأصيل في هذا الشأن لا يحق لأي كان فرض املاءات عليها في صلب القوانين التي تصدرها .

فإننا نود التذكير بضرورة الالتزام بما ورد في نص المادة 12 من قانون انتخاب الرئيس بشأن ضرورة ان يكون المترشح قد توقف عن أداء مهام عمله قبل 3 أشهر من إعلان الترشح.

ولما كانت هذه المهلة قد انتهت فأنه لا يجوز قبول أي ترشح من أي شخص يمارس وظيفة عامة مدنية او عسكرية مالم يتوقف عن أداء مهامه بحلول 24 سبتمبر الماضي.

كما نود أن نذكر أيضًا بالتعهد الذي وقعه شاغلي المناصب التنفيذية للسادة بعثة الأمم المتحدة والسادة ملتقى الحوار والشعب الليبي في 4 فبراير 2021 بشأن عدم الترشح للانتخابات التي تلي المرحلة التمهيدية وفق المادة 3 من المادة 2 من الباب الخاص بشروط الترشح لمهام السلطة التنفيذية.

وإذ نستهجن ماورد في بيانكم بتاريخ 30 أكتوبر بشأن الحث على خرق التعهدات، نؤكد نحن الموقعون أدناه بأن بعثة الأمم المتحدة لن تكون مستقبلًا في أي حال من الأحوال محل ثقة كوسيط نزيه إذا ما تم خرق هذه التعهدات التي سنتها البعثة وتعتبر أحد روافد العملية السياسية التي ارتضاها الجميع في الحوار السياسي بجنيف.

كما نطالب المفوضية بالالتزام بنص القانون وعدم خرقه والنأي بنفسها عن أي شبهات أو نزاعات قد تنشأ عن قبولها لتعمد خرق المادة 12 من قانون انتخاب الرئيس او تجاهل التعهد الموقع لملتقى الحوار الذي أنشأ هذه السلطة المؤقتة للمرحلة التمهيدية الحالية خدمة لأشخاص بعينهم ما يجعل من هذه الانتخابات عديمة الجدوى والتنافسية والمصداقية والتكافؤ.

تفضلوا بقبول فائق الإحترام

حف2 الله ليبيا

المحليين، كلنا أمل بأن نتعظ جميعا ونتجه بقلوب ملينة بالأمان عاقدين العزم على ألا نزكي ، وألا نمنح صوتنا إلا لمن نتوسم فيه الصدق والاخلاص والامانة ، فلا نختار إلا القوي الأمين.

رابعاً - ندعو الليبيين جميعاً وفي مقدمتهم القوى الفاعلة إلى اختيار شخصية وطنية، والالتفاف حولها ، والدفع بها لخوض غمار الانتخابات الرئاسية، شخصية لم تساهم في بيع الوطن ولا خرابه ولا تدميره ، ولم ترتهن للأجنبي، شخصية نبتت من اديم هذه الارض، ولا ولاء لها إلا لأبنائه بعد الله تعالى. وندعو القوى الوطنية الرافضة لاستباحة ليبيا للالتقاء والتشاور حول الاستحقاقات القادمة.

خامسا - إن أبناء ورفلة وهم يتابعون المشهد يحزنهم ما يرونه من أصرار على تهميشهم، واقصاءهم، فهم لا يقبلون النظرة الاحادية التي ينظر بها متصدرو العمل العام في ليبيا ، وهم يلاحظون كل يوم ترقية وتكريم أولنك الذين اعتدوا على بني وليد في سابقة لن ينساها التاريخ البشري ، وقاموا بغزوها وقتل اطفالها وشيوخها، وها هم اليوم يكرمون بأعلى المناصب السياسية والعسكرية ، أن ابناء بني وليد جميعا لا يقبلون الكيل بمكيالين . فإن تقوم المصالحة ما لم يساق المجرمون لسوح العدالة . والاستقرار سيكون بعيد أن لم تقم العدالة.

سادسا – نهيب بكل المسؤولين الليبيين في كل مواقع القرار أن يعلوا قيم الانتماء للوطن ، وان يضعوا حدا للتدخل السافر في شؤون وطننا من قبل السفراء والبعثة الدولية، وأن يرسموا للجميع خطا احمرا حدوده سيادة ليبيا واستقلالها، وان يكفروا عما أقترفوه في حق الوطن من الارتهان للأجنبي، والارتماء في الحضان المحميات التي تعج اراضيها باليانكيين ، ومياهها بأساطيل القوى الاستعمارية.

سابعا : ان أبناء بني وليد وعموم قبائل ورفلة عاقدين العزم للمساهمة الفاعلة والإيجابية في كل الاستحقاقات التي من شأنها استقرار الوطن والتعجيل بقيام الدولة معلنين تمسكهم بالمجلس الاجتماعي لقبائل ورفلة ممثلاً شرعياً و وحيداً لهم ، وبمشاركة مع كل الليبيين المخلصين من أبناء الوطن.

بيان المجلس الإجتماعي الأعلى لقبائل الطوارق في ليبيا

بسم الله الرحمن الرحيم

إنطلاقاً من مسؤولياتنا التاريخية تجاه وطننا المأزوم، ليبيا، وشعوراً بمعاناة الليبيين التي فاقت كل تصور وما نتج عن ذلك من تردٍّ في الاوضاع المعيشية والإقتصادية والسياسية والإجتماعية والتي انعكست سلباً على حياة المواطن اليومية، ما يستوجب التفكير جدياً في إيجاد مخرج من هذه الازمة؛ فإننا نؤكد على الآتي:

أولاً: التمسك بمخرجات مؤتمر جنيف وخارطة الطريق بشأن ليبيا.

ثانياً: .ضرورة إجراء الإنتخابات البرلمانية والرئاسية في وقت واحد بتاريخ 24 ديسمبر 2021م.

ثالثاً: إلتزام وإلزام كافة الأطراف بقبول نتائج الإنتخابات، وتقديم المعرقلين لها للمساءلة القانونية.

رابعاً: تفعيل دور بعثة الامم المتحدة في تيسير ومتابعة سير الإنتخابات.

خامساً: تحميل الأجسام الحالية مسؤولية ماوصلت إليه الأوضاع في البلاد.

LIBYAN POLITICAL PARTIES AND MOVEMENTS

رسالة تنسيقية الأحزاب والتكتلات والقوى السياسية الليبية للمؤتمر الدولي حول ليبيا المقرر عقده في الثاني عشر من نوفمبر ٢٠٢١ باستضافة جمهورية فرنسا

نود أن نعرب عن تقديرنا للجهود التي تبذلها الحكومة الفرنسية وبالتنسيق مع المجتمع الدولي في تنظيم هذا المؤتمر الدولي الهام لإحلال الاستقرار في ليبيا. كما نرحب باستمرار الدعم والإلتزام بسيادة ووحدة البلاد ومؤسساتها الحكومية ، وبإجراء انتخابات رئاسية وبرلمانية نزيهة في ٢٤ ديسمبر ٢٠٢١ ، بالإضافة إلى التزام المجتمع الدولي بخروج جميع المرتزقة والقوات الأجنبية من ليبيا.

هذا الموقف الحازم للمجتمع الدولي موضع ترحيب كبير من الشعب الليبي ، وعلى أمل رؤية نفس الالتزام من جميع المؤسسات الليبية الحاكمة القائمة بتنفيذ الانتخابات واحترام نتائجها.

.ستكون الصعوبات الاقتصادية وعجز حكومة الوحدة الوطنية المؤقتة محل مخاوف الناس بسبب نقص الاحتياجات المعيشية مثل الكهرباء والسيولة وزيادة التضخم وتردي الخدمات الصحية وسؤ إدارة كوفيد-١٩ قد يزيد من الاضطرابات الاجتماعية ، وخاصة إذا فشلت عملية الانتخابات ولم يتم تلبية رغبات وتحقيق توقعات الناس في التغيير.

إن الانتشار الواسع للأسلحة الخارجة عن السيطرة في أيدي المليشيات ، ووجود مقاتلين أجانب ، بالإضافة إلى احتمال وجود جيوب من العناصر والجماعات الإرهابية المتطرفة، وكذلك الفشل في توحيد القوات المسلحة لن يؤدي فقط إلى النزاعات المسلحة بين الأطراف المحلية وتفاقم المعاناة الإنسانية بل الي عدم الاستقرار الإقليمي والدولي والي حدوث صراع واسع النطاق.

إن هذا المؤتمر المرموق والممثل بدرجة عالية من الدول المهمة في هذا التوقيت الحرج يحظى بتقدير كبير ويساهم في جعل الانتخابات حقيقة واقعة، كما يطالب الشعب الليبي ويوصى بمنع المعرقلين والحد من قدرتهم على تفكيك العملية الانتخابية وتأجيلها، وذلك بممارسة الضغط وإنزال العقوبات الدولية عليهم وتطبيق قانون مجلس الأمن رقم ٢٥٧٠ عليهم.

.إن تطلعات الشعب الليبي في توحيد وطنه وضمان سيادته وتحسين مستويات المعيشة لمواطنيه، وإرادته في الانفتاح والتفاعل مع المجتمع الدولي من أجل السلامة والأمن والتنمية محلياً والتعاون على الصعيدين الإقليمي والدولي.

. نحن نتطلع إلى مزيد من الدعم والمساعدة من المجتمع الدولي من أجل أن تكون ليبيا دولة مستقرة وذات سيادة ومزدهرة ، مع حكومة شرعية منتخبة وواحدة تشارك في خلق السلام والتنمية المنشودة على الصعيدين الدولي والإقليمي .

شكراً لكم .
